HOITT'S IMPROVED DELIVERY SERVICE One Large Packard Truck and Two Quick Delivery Trucks

Largest establishment of the kind in Maine, New Hampshire, Vermont. Our store contains everything used in the Furnishing of a Home. From our door to your door. Goods delivered within 100 miles.

The great increase in our business has made it imperative for us to improve and increase our delivery service. As a consequence, we have added to our large number of teams, three modern motor trucks. One of these is a large Packard truck capable of carrying the entire furnishings for any ordinary home in one load. The others are small delivery trucks which are designed for smaller and quicker orders, where speed, and yet safe delivery is necessary.

MANCHESTER

STREET DIRECTORY

COPYRIGHT, 1914, SAMPSON & MURDOCK CO., BOSTON, MASS.

GIVING the location of the Streets, Places, Parks, Squares, etc., and showing what other streets and places run from them, or across them, with the number at

which they intersect

From this list, the location of any number on a street, or the location of any public building, can be easily ascertained; as, for instance, wishing to know at what part of Hanover Street the Opera House is located, you look at Hanover Street, and find it at No 34, on the left hand side, between Elm and Chestnut Streets

When a street crosses another, numbers (or ciphers) are given on both sides; but when t begins or ends at that street, the number is given only on the side at which it intersects. Ciphers are used where no numbers exist

*Indicates streets accepted. **Indicates part of street accepted
